LOS ANGELES 2015

"Special Olympics is a global movement of people creating a new world of inclusion and community, where every single person is accepted and welcomed, regardless of ability or disability. We are helping to make the world a better, healthier and more joyful place – one athlete, one volunteer, one family member at a time."

# SPECIAL OLYMPICS WORLD GAMES LOS ANGELES 2015

## HOST TOWN LA HABRA

Every two years, the world transcends the boundaries of geography, nationality, political philosophy, gender, age, culture, and religion to come together for the largest sporting and humanitarian event on the planet, the Special Olympics World Games. Alternating between Summer Games and Winter Games, this event is the flagship event of the Special Olympic movement, which promotes equality and acceptance for people with intellectual disabilities around the world.

Arriving from all corners of the world, 7,000 athletes competing in 25 sporting events will take the global stage in Los Angeles. The 2015 World Games will be the largest event hosted by Los Angeles since the 1984 Olympic Games.

The City of La Habra applied for a Host Town designation to provide an opportunity to the community to be a part of this great event, and on November 3, 2014, it was announced that the City became an official Host Town of the World Games. The Host Town program is a special three-day program that takes place prior to the Opening Ceremony, and gives the athletic delegations from around the world a welcoming experience and an opportunity to take part in a cultural change of activities. The City of La Habra is honored to be a Host Town, and looking forward to hosting an International delegation for three days in our community. The bond created between the athletes and our community members will be life changing, and it will promote acceptance and inclusion of intellectual disabilities throughout our community.

**IT'S TIME TO ROLL OUT OUR WELCOME MAT  
AND SHOW THE WORLD OUR HOSPITALITY**
